

ABOUT US

National Institute of Technical Teachers' Training & Research (NITTTR), Kolkata was established in 1965 by the Ministry of Education, Govt. of India as fully centrally funded autonomous institution for providing in-service training to the technical teachers and staff of Degree and Diploma level institutions and also for conducting various activities related to quality improvement of the technical education system of the country.

The focal activities of the institute are (i) Education & Short-term Training, (ii) Curriculum Development, (iii) Learning Resources Development, (iv) Research & Development and (v) Extension Services & Consultancy. AICTE has recognized the Short-term training programmes conducted by the Institute for the purpose of movement to higher grades under the Career Advancement Scheme (CAS). The Institute is also offering four AICTE approved, two year Post Graduate Degree Programmes in Manufacturing Technology, Multimedia & Software Systems, Mechatronics Engineering and Structural Engineering leading to M.Tech Degree of Maulana Abul Kalam Azad University of Technology (MAKAUT, formerly known as West Bengal University of Technology (WBUT)).

Key functions of NITTTR-Kolkata Alumni Cell

- o Alumni connectivity and engagement
