

## About the workshop

AICTE has suggested a model curriculum for various diploma programmes but different states are following different curriculum developed by them. So it is felt that, detail discussion on curriculum is very important for uniformity and acceptance. In this regard, a workshop will be organized to review the AICTE Model curriculum (Civil Engineering Diploma level) and also emphasise on the development of skills of the students based on industries requirements.

## ICT Based Workshop ON

**Critical Review of AICTE Diploma Model Curriculum  
[Civil Engineering]**
