# ACADEMIA INDUSTRY CONCLAVE-2025

**VIKIST BHARAT:2047**

**30 April 2025**

## ABOUT US

National Institute of Technical Teachers' Training and Research Kolkata started its journey as Technical Teachers' Training Institute (TTTI) in 1965 to impart training programs to the teachers at diploma colleges in the Eastern Region. Subsequently, this institute was christened in 2003 as the NITTTR Kolkata and can be operated nationally instead of having a regional presence. Recently, with persistent efforts, it is heartening to announce that it got elevated to the status of Deemed to be University under the Distinct Category. It is a premier institute providing pre & in-service training to teachers and offers M. Tech programmes in four different specializations. The Institute has highly qualified & experienced faculty members and excellent infrastructural support through well-equipped laboratories and other resources. The institute has established extension centers at Guwahati and Bhubaneswar to provide better services to the respective regions.

## ABOUT THE CONCLAVE

The Academia-Industry Conclave is a forum for industry representatives to exchange insights and discuss future directions. Simultaneously, the scholars and students will not just be passive participants but active learners gaining practical experience. This unique opportunity will inspire them to participate in resolving industrial, social, and economic problems. NITTTR, Kolkata, owes Academia-Industry integration as a valuable strategy to enhancing students' overall growth by providing them with more industry exposure.

## KEY HIGHLIGHTS & TAKEAWAYS CONCLAVE

- Showcasing the research/product/ process activities from different Academic institutions/research labs/incubators and industries
- Connecting industry and academia to exchange their problems and possible solutions.
- Providing a platform for students, innovators, entrepreneurs to showcase concepts and ideas.
- Inspiring and encouraging young minds toward research, product development, entrepreneurship development, and innovation.
